This acknowledgement of risks applies to all club activities I may undertake during the period from **1 July 2022 to 30 June 2023** as a member of the **Werribee Bushwalking and Outdoor Club Inc.**

In voluntarily participating in activities of the Club which are described to me by the activity leaders, I am aware that my participation in the activities may expose me to hazards and risks that could lead to injury, illness or death or to loss of or damage to my property. I also acknowledge that I may encounter weather conditions that could lead to hypothermia and being in locations where evacuation for medical treatment may take hours or days.

To minimise risks I will endeavour to ensure that:

1. Each activity is within my capabilities.
2. I am wearing suitable clothing and footwear.
3. I am carrying food, water, personal medication and equipment appropriate for the activity.

In addition:

1. I will provide my own personal first aid kit which will include any necessary personal medications (e.g. epipen, asthma medication etc.).

3. I will advise the leader of any concerns I am having.
4. I will comply with all reasonable instructions from club officers and the activity leader.
5. If I am renewing my membership I am deemed to have read and understood and will abide by the Club's Risk Management Policy.
6. Photographs and or videos may be taken on activities and be published in the club newsletter, the website or on social media for marketing purposes. If you do not want images of yourself or your family published please let the walk leader know.

I have read and understand the above requirements. I have considered the risks before choosing to sign this acknowledgement of risk. I still wish to join the activities of the Club. I acknowledge that I will take responsibility for my own actions and that signing this form and payment of my subscription will be deemed as full acceptance and understanding of the above conditions.
